

Dear Parents

The cost of a number of consumable items used by Handsworth Pre-school is not fully met by usual means of funding. On occasions, it is therefore necessary to ask Parents to provide on a voluntary basis some consumable items to help with the funding of the Pre-school.

If any Parents feel that they could donate any of the following items, they would be greatly appreciated by the children and the staff.

Tissues,  
Kitchen paper towels  
Floor cleaner  
Bleach  
Anti-Bacterial surface cleaner  
Jay cloths  
Black bin liners  
Baby Wipes (Fragrance Free)

Many Thanks for your continued support.
