

Ocean Blue

Playdough Recipe

You will need:

- 2 cups plain flour
- 1 cup salt
- 2 tbsp cream of tartar
- 2 tbsp oil
- Water
- Gold and silver glitter
- Blue and green food colouring
- Cooker hob

Method

1. Mix all the dry ingredients together, including the glitter, in a saucepan.
2. Stir in the oil and food colouring.
3. Place the saucepan on the hob and heat on a low setting.
4. Add the water until a dough forms to the consistency you require.
5. Allow to cool slightly and then turn out onto a tray and knead until soft and less sticky.
6. Get playing and exploring this super soft dough!
